<b>FROM</b>	Linda Byers, Executive Assistant Dental Board of California
<b>SUBJECT</b>	<b>Agenda Item 11:</b> Interim Executive Officer's Report

# MEMORANDUM

<b>DATE</b>	February 11, 2013
<b>TO</b>	Dental Board Members
<b>FROM</b>	Genie Albertsen, Budget & Contract Analyst Dental Board of California
<b>SUBJECT</b>	<b>Agenda Item 12: Budget Report: Dentistry Expenditures &amp; Dental Assisting Program Expenditures</b>

For the current Fiscal Year (FY), the Board’s budget is broken into two separate appropriation accounts which together total a Board appropriation of \$13,141,000 [\$11,410,000 (Dentistry Fund) + \$1,731,000 (Dental Assisting Fund)]. The following documents are intended to provide an expenditure summary of the current fiscal year (2012-13) for the Dentistry and Dental Assisting funds.

The specifics surrounding the Board’s two appropriations and expenditures are as follows:

## **Dentistry**

The Board’s Dentistry expenditures are based upon the December CALSTARS report that came out in January 2013. According to that report, the Board has spent roughly \$5.1 million of its current year Dentistry budget appropriation. Approximately \$2.6 million was spent for Personnel Services; and roughly \$2.5 million for Operating Expense & Equipment (OE&E). Based on these expenditures, the Board is projected to revert back to the Dentistry Fund approximately \$600,000.

## **Dental Assisting**

The Board’s Dental Assisting expenditures is based on the December CALSTARS report that came out in January 2013. According to that report, the Board has spent roughly \$822,000 of its current year Dental Assisting budget appropriation. Approximately \$258,000 was spent for Personnel Services; and roughly \$563,000 for Operating Expense & Equipment (OE&E). Based on these expenditures, the Board has projected an over expenditure, *due to the increase in Attorney General (AG) costs*, of \$104,836.

Janice Shintaku–Enkojli, Department of Consumer Affairs Fiscal Officer will be addressing the Board and providing additional information and recommendations for both the Dentistry and Dental Assisting Funds and options moving forward.

## MEMORANDUM

<b>DATE</b>	February 20, 2013
<b>TO</b>	Dental Board of California
<b>FROM</b>	Karen M. Fischer, MPA, Interim Executive Officer Dental Board of California
<b>SUBJECT</b>	<b>Agenda Item 13(A):</b> Discussion and Possible Action To Reconsider Staff's Recommendation for Appropriate Fee Increase to Dentistry to Sustain Board Expenditures

### **Background:**

At its August 2012 meeting, the Board voted to initiate a formal rulemaking to amend the California Code of Regulations, Title 16, Section 1021 to raise all Board fees for dentists. Throughout the first half of 2012, the Board considered information provided by the Board's Executive Officer, Richard DeCuir, regarding the proposed fee increase.

In May 2012, Mr. DeCuir presented scenarios of proposed fee increases of 5%, 10%, 15%, 20% and 23% (the statutory cap for licensing renewals) to keep the Board financially solvent through FY 2015-16. During that meeting, two specific issues: (1) the \$4.4 million outstanding loan to the General fund that had yet to be repaid, and (2) the request for further data supporting the need for a fee increase. It was also noted that the licensure renewal fees should be primarily directed toward supporting the Board's Enforcement program.

At the August 2012 meeting, Mr. DeCuir presented the Board with the delineated costs for the last year exclusively dedicated to the Board's Enforcement program. Mr. DeCuir noted that the Examination, Licensure, and Permit programs are predominantly supported by their own fees (i.e. Licensure by Credential, Special Permits, General Anesthesia & Conscious Sedation permits, fictitious names etc), while license renewals were predominantly used to support the Board's Enforcement programs and the related administrative overhead costs. At the meeting, the Board was provided with a more detailed workload analysis specifically related to the Enforcement program.

### **Analysis Supporting Initial Licensure and Renewal Fee Increase:**

Mr. DeCuir explained that of the Board's 72.8 authorized positions, 44 permanent positions, 6 retired annuitant positions, and 50-60% of the 6 administrative staff positions are dedicated to the Board's Enforcement Program. Each of the permanent positions was utilized at the actual pay grades for the analysis. The combined salaries

paid directly to Enforcement personnel last year totaled approximately **\$3,003,226**; benefits tied to these positions are estimated at **\$1,265,697**; resulting in **\$4,268,923** paid out in total Enforcement salaries. When miscellaneous personal service costs were added, such as Board Member costs, overtime etc., the total personal services expenditures are approximately **\$4,384,399** or 79% of the Board's total Personal Services budget.

Next, Mr. DeCuir reviewed each of the Board's Operating Expense & Equipment (OE & E) line items. For those general expense line items (such as printing, general expenses, DCA, pro-rata, etc.), Mr. DeCuir used the same 79% as calculated in the personal services line items. However, it was noted that he excluded those line items that **were not** Enforcement related (examination costs, external contracts, etc.). Additionally, Mr. DeCuir **added** in 100% of the OE & E authorizations that were exclusively Enforcement (i.e. Attorney General costs, Evidence and Witness fees, vehicle operation costs, Office of Administrative Hearing costs, etc.). The numbers revealed a total of **\$4,406,117** or 74% of the total Operating Expense & Equipment costs were going to the Board's Enforcement program.

Mr. DeCuir stated that approximately **\$8,790,516** was earmarked to be spent on the Board's Enforcement program. There are currently 39,790 active and inactive licensed dentists paying biennial renewal fees resulting in approximately 19,895 licensed dentists renewing each year. Dividing the Enforcement budget by the number of dentists renewing each year will calculate the renewal fee necessary to support only the Board's Enforcement Activities as follows:

Annual Enforcement Budget (FY 2011-12).....	<b>\$8,790,516</b>

Annual License Renewals .....	<b>19,895</b>
Equals=	
Fee necessary to support Enforcement Activities .....	<b>\$442.00</b>

Next, Mr. DeCuir factored in the Board's Administrative Unit, which includes half of the Executive Officer's time, half of the Assistant Executive Officer's time, 40% of the Budget and Contract Analyst's time, 40% of the Legislative and Regulatory Analyst's time, and 40% of the Personnel Analyst's time. Using the same calculation formulas, the Board's total expenditures are approximately **\$505,130** per year. This does **NOT** include the Administrative support to the Board and staff by the Executive Assistant and Special Assistant to the Executive Officer. These expenditures, when added to the Enforcement Expenditures of **\$8,790,516** per year, total a combined expenditure of **\$9,295,646**. Dividing that total expenditure by the **19,895** dentists who renew their licenses each year brings us to a required renewal fee of **\$467.00** as follows:

Annual Enforcement Budget (FY 2011-12).....	<b>\$9,295,646</b>
Divided by:	
Annual License Renewals .....	<b>19,895</b>

Equals=

Fee necessary to support Enforcement Activities..... **\$467.00**

After more than 14 years with no fee increases (1998), a biennial fee increase to **\$442.00** represents an annual increase of **\$38.50**. A biennial fee increase to **\$467.00** represents an increase of **\$51.00** per year.

**Raising the Initial Licensure and Renewal Fee Increase Only:**

Based on Mr. DeCuir’s analysis, the Board voted to raise the initial licensure fee and the renewal fee for dentists to the statutory cap of \$450. Additionally, the Board voted to raise all other licensing and permit fees for dentists accordingly. After further evaluation conducted by the Department of Consumer Affairs Budget Office, it has been recommended that the Board only move forward with the fee increase to \$450 for initial licensure and renewals at this time. During a future meeting, staff will provide the Board with additional analysis supporting the need to raise all other licensing and permit fees for dentists. Therefore, it is necessary for the Board to reconsider the proposed regulatory language to only raise the initial licensure and renewal fee to \$450 and not raise any additional fees for the purpose of this rulemaking proposal.

Janice Shintaku–Enkojli, Department of Consumer Affairs Fiscal Officer will be addressing the Board and providing additional information and recommendations for the Board’s fee increase and options moving forward.
