

## **REQUEST FOR AUTHORIZATION TO PRACTICE WITHOUT A LICENSE AT A REGISTERED FREE HEALTH CARE EVENT**

In accordance with California Business and Professions Code Section 901 any dentist licensed and in good standing in another state, district, or territory in the United States may request authorization from the Dental Board of California (Board) to participate in a free health care event offered by a sponsoring entity, registered with the Board pursuant to Section 901, for a period not to exceed ten (10) days. The Board may deny requests for authorization received less than twenty (20) calendar days before the date on which the sponsored event will begin.

Note: If you are submitting fingerprint cards to the Board (“Ink on Cards”) along with your application, the Board recommends that you submit your completed application package to the Board at least 60 days prior to the scheduled event to assist in the timely processing of your fingerprint submissions through the California Department of Justice and Federal Bureau of Investigation.

### **PART 1 - APPLICATION INSTRUCTIONS**

An application must be complete and must be accompanied by all of the following:

- A processing fee of \$30, made payable to the Dental Board of California. If submitting fingerprint cards instead of using Live Scan, please submit an additional \$49 fee, payable to the Dental Board of California, to process your fingerprint cards for a total fee of **\$79**. See additional details below.
- A copy of each current, active and valid license authorizing the applicant to engage in the practice of dentistry issued by any state, district, or territory of the United States.
- A copy of a valid photo identification of the applicant issued by one of the jurisdictions in which the applicant holds a license to practice.
- Any documents or statements requested on this application.
- Fingerprints. Fingerprints can be done with electronic Live Scan or ink on cards.

**Live Scan** is available only in California, for either residents or visitors, and is far speedier. The California Department of Justice (DOJ) has the form you need to complete and take to the Live Scan service location in California, and a list of the locations where it is obtainable (see [ag.ca.gov/fingerprints](http://ag.ca.gov/fingerprints)). The procedure is that you take the completed form to the service location, pay a fee and your fingerprints are taken on a glass without ink. The fingerprints are then transmitted electronically to the DOJ, and the DOJ sends the report to the Dental Board. Usually the report is received within two days. There is a low rate of rejections with this method.

**Ink on Cards.** If you are not able to come to California, you may contact the Board to obtain a copy of California “Ink on Cards” to have fingerprints made – 2 cards. Other States’ resident
