§1023.16. Sponsoring Entity Registration and Recordkeeping Requirements

(a) Registration. A sponsoring entity that wishes to provide, or arrange for the provision of, health care services at a sponsored event under section 901 of the Code shall register with the board not later than 90 calendar days prior to the date on which the sponsored event is scheduled to begin. A sponsoring entity shall register with the board, or its delegatee, by submitting to the board a completed "Registration of Sponsoring Entity Under Business & Professions Code Section 901," Form 901-A (DCA/2011), which is hereby incorporated by reference.

(b) Determination of Completeness of Form. The board may, by resolution, delegate to the Department of Consumer Affairs the authority to receive and process "Registration of Sponsoring Entity Under Business & Professions Code Section 901," Form 901-A (DCA/2011) on behalf of the board. The board, or its delegatee, shall inform the sponsoring entity within 15 calendar days of receipt of Form 901-A (DCA/2011) in writing that the form is either complete and the sponsoring entity is registered or that the form is deficient and what specific information or documentation is required to complete the form and be registered. The board, or its delegatee, shall reject the registration if all of the identified deficiencies have not been corrected at least 30 days prior to the commencement of the sponsored event.

(c) Recordkeeping Requirements. Regardless of where it is located, a sponsoring entity shall maintain at a physical location in California a copy of all records required by section 901 as well as a copy of the authorization for participation issued by the board to an out-of-state practitioner. The sponsoring entity shall maintain these records for a period of at least five years after the date on which a sponsored event ended. The records may be maintained in either paper or electronic form. The sponsoring entity shall notify the board at the time of registration as to the form in which it will maintain the records. In addition, the sponsoring entity shall keep a copy of all records required by section 901(g) of the Code at the physical location of the sponsored event until that event has ended. These records shall be available for inspection and copying during the operating hours of the sponsored event upon request of any representative of the board. In addition, the sponsoring entity shall provide copies of any record required to be maintained by section 901 of the Code to any representative of the board within fifteen (15) calendar days of the request.

(d) Requirement for Prior Board Approval of Out-of-State Practitioner. A sponsoring entity shall not permit an out-of-state practitioner to participate in a sponsored event unless and until the sponsoring entity has received written approval of such practitioner from the board.

(e) Report. Within fifteen (15) calendar days after a sponsored event has concluded, the sponsoring entity shall file a report with the board summarizing the details of the sponsored event. This report may be in a form of the sponsoring entity's choosing, but shall include, at a minimum, the following information:

(1) The date(s) of the sponsored event;

(2) The location(s) of the sponsored event;

3) The type(s) and general description of all health care services provided at the sponsored event; and

(4) A list of each out-of-state practitioner granted authorization pursuant to this article who participated in the sponsored event, along with the license number of that practitioner.

§1023.17. Out-of-State Practitioner Authorization to Participate in Sponsored Event

(a) Request for Authorization to Participate. An out-of-state practitioner (“applicant”) may request authorization from the board to participate in a sponsored event and provide such health care services at the sponsored event as would be permitted if the applicant were licensed by the board to provide those services. Authorization shall be obtained for each sponsored event in which the applicant seeks to participate.

(1) An applicant shall request authorization by submitting to the board a completed “Request for Authorization to Practice Without a License at a Registered Free Health Care Event,” Form DBC-901-B (New 02/2012), which is hereby incorporated by reference, accompanied by a non-refundable processing fee of \$30.

(2) The applicant shall also furnish either a full set of fingerprints or submit a Live Scan inquiry to establish the identity of the applicant and to permit the board to conduct a criminal history record check. The applicant shall pay any costs for furnishing the fingerprints and conducting the criminal history record check. This requirement shall apply only to the first application for authorization that is submitted to the board by the applicant.

(b) Response to Request for Authorization to Participate. Within 20 calendar days of receiving a completed request for authorization, the board shall notify the sponsoring entity and the applicant whether that request is approved or denied.

(c) Denial of Request for Authorization to Participate.

(1) The board shall deny a request for authorization to participate if:

(A) The submitted Form DBC-901-B (New 02/2012) is incomplete and the applicant has not responded within 7 calendar days to the board’s request for additional information;

(B) The applicant does not possess a current, active and valid license in good standing;

(C) The applicant has had his or her permission from the federal Drug Enforcement Administration (DEA) to prescribe controlled substances suspended, revoked or denied;

(D) The applicant has failed to comply with a requirement of this article or has committed any act that would constitute grounds for denial under Section 480 of the Code of an application for licensure by the board;

(E) The applicant has a current physical or mental impairment related to drugs or alcohol;

(F) The applicant has been adjudicated by a court to be mentally incompetent or is under a conservatorship, so that the person is unable to undertake the practice of dentistry in a manner consistent with the safety of a patient or the public; or,

(G) The board has been unable to obtain a timely report of the results of the criminal history check.

(2) The board may deny a request for authorization to participate if:

(A) The request is received less than 20 calendar days before the date on which the sponsored event will begin;

(B) The applicant has been previously denied a request for authorization by the board to participate in a sponsored event;

(C) The applicant has previously had an authorization to participate in a sponsored event terminated by the board; or,

(D) The applicant has participated in three (3) sponsored events during the 12 month period immediately preceding the current application.

(d) Appeal of Denial. An applicant requesting authorization to participate in a sponsored event may appeal the denial of such request by following the procedures set forth in Section 1023.18(d)-(e).

NOTE: Authority cited: Sections 901, and 1614, Business and Professions Code. Reference: Section 480, 901, 1601.2, and 1629, Business and Professions Code.

§1023.18. Termination of Authorization and Appeal.

(a) Grounds for Termination. The board may terminate an out-of-state practitioner's authorization to participate in a sponsored event for any of the following reasons:

(1) The out-of-state practitioner has failed to comply with any applicable provision of this article, or any applicable practice requirement or regulation of the board.

(2) The out-of-state practitioner has committed an act that would constitute grounds for discipline if done by a licensee of the board.

(3) The board has received a credible complaint indicating that the out-of-state practitioner is unfit to practice at the sponsored event or has otherwise endangered consumers of the practitioner's services.

(b) Notice of Termination. The board shall provide both the sponsoring entity and the out-of-state practitioner with a written notice of the termination, including the basis for the termination. If the written notice is provided during a sponsored event, the board may provide the notice to any representative of the sponsored event on the premises of the event.

(c) Consequences of Termination. An out-of-state practitioner shall immediately cease his or her participation in a sponsored event upon receipt of the written notice of termination.

Termination of authority to participate in a sponsored event shall be deemed a disciplinary measure reportable to the national practitioner data banks. In addition, the board shall provide a copy of the written notice of termination to the licensing authority of each jurisdiction in which the out-of-state practitioner is licensed.

(d) Appeal of Termination. An out-of-state practitioner may appeal the board's decision to terminate an authorization in the manner provided by section 901(j)(2) of the Code. The request for an appeal shall be considered a request for an informal hearing under the Administrative Procedure Act (commencing with Section 11445.10 of the Government Code).

(e) Informal Conference Option. In addition to requesting a hearing, the out-of-state practitioner may request an informal conference with the executive officer regarding the reasons for the termination of authorization to participate. The executive officer shall, within 30 days from receipt of the request, hold an informal conference with the out-of-state practitioner. At the conclusion of the informal conference, the executive officer may affirm or dismiss the termination of authorization to participate. The executive officer shall state in writing the reasons for his or her action and mail a copy of his or her findings and decision to the out-of-state practitioner within ten days from the date of the informal conference. The out-of-state practitioner does not waive his or her request for a hearing to contest a termination of authorization by requesting an informal conference.

If the termination is dismissed after the informal conference, the request for a hearing shall be deemed to be withdrawn.

This notice may be in a form of the out-of-state practitioner's choosing, but shall be in at least 12 point font and include, at a minimum, the following information:

- (4) The dates the out-of-state practitioner is authorized to practice by the board; and,
- (5) A disclosure that states: "The Dental Board of California has only authorized me to provide services under my license from another state and only at this free health care event for a period not to exceed ten (10) days."

(b) This notice required by this Section shall be provided separate and apart from all other notices or authorizations that a patient may be given or required to sign and shall be retained by the patient.
