On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumbprinted, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

### REQUIRED IDENTIFICATION AT EXAMINATION SITE

You must provide 1 form of identification, either:

- Non-expired government issued driver's license
- Non-expired government issued identification card (state, military)

If you cannot provide the required identification, you must call (877) 392-6422 at least 3 weeks prior to your scheduled

appointment to arrange a way to meet this security requirement. Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.

### CALIFORNIA LAW SECURITY PROCEDURES

Section 123 of the California Business and Professions Code states: It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:

- Impersonating any examinee or having an impersonator take the licensing examination on one's behalf.

Nothing in this section shall preclude prosecution under authority provided for in any other provision of law. In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars (\$10,000) and the costs of litigation.

### IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in and re-entry into the testing room after an approved absence. If a candidate passes the examination, the thumbprint record will be destroyed. If a candidate abandons his or her application for licensure, as determined by the appropriate regulatory authority, the thumbprint will also be destroyed. If a candidate is unsuccessful, the thumbprint record will be retained by PSI to ensure proper identification on any subsequent examination attempts. If the thumbprint doesn't match upon exit and re-entry, the candidate shall be disqualified from the examination, his or her test results invalidated,

## TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

### IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

### TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

### TEST QUESTION SCREEN

The “function bar” at the top of the sample question provides mouse-click access to the features available while taking the examination.

The screenshot displays a computer interface for an examination. At the top, there is a navigation bar with icons for Mark, Comments, Goto, Help, and End. Below this, a status bar shows: Question: 3 of 40, Answered: 2, Unanswered: 1, Marked: 0, View: All, Time Left(Min): 359. The main content area shows question 3: "What do the stars on the United States of America's flag represent?". Below the question, it says "(Choose from the following options)" and lists four radio button options: 1. Presidents, 2. Colonies, 3. States, and 4. Wars. At the bottom of the question area, there are navigation buttons: "<< Back" and "Next >>".

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers

### EXAMINATION ITEMS

The RDAC Examination is comprised of 125 scored and 25 pretest (unscored) multiple-choice items. Pretesting items allows performance data to be gathered and evaluated before the items are scored on an examination. These pretest (“experimental”) items will be distributed throughout the examination and WILL NOT be counted for or against the examination score. Pretest items WILL NOT be identified to candidates.

and the appropriate regulatory entity will be notified of the occurrence. The taking of the thumbprint is an additional measure to enhance examination security.

The Department’s Office of Professional Examination Services shall ensure that the appropriate safeguards for the storage and destruction of the thumbprint records are in place.

2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination.
3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other timekeeping devices are not permitted in the examination rooms.
4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate’s restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence, which will take appropriate action.
5. The following items are not permitted in the examination rooms:
  - Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pagers, purses, notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.
  - Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks (unless prior approval is obtained by your regulatory entity) and good-luck items.
  - Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets, overcoats or shirts with pockets.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the appropriate regulatory entity of the occurrence.

6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.

## THE WRITTEN EXAMINATION

### EXAMINATION RESULTS

You will receive the results of your RDA General and Law and Ethics Written Exam at the PSI test center. The results will also be sent to the Board.

Periodically, there may be a delay in providing your results due to the board performing a quality assurance assessment on the examination items. If an assessment is underway, information will be posted on the board's Web site at [www.dbc.ca.gov](http://www.dbc.ca.gov) informing applicants of the assessment and delay in receiving results. The board makes every effort to complete the assessment as quickly as possible.

You should contact the Board about 30 days after passing the examination if you have not received your license.

If you fail the RDA General and Law and Ethics Written Exam, you will receive a failed score report and an application to retake the examination.

Licenses will not automatically be issued once you pass the examination. The Board must first complete its criminal history investigation of each applicant.
