This agenda can be found on the Dental Board of California website at dbc.ca.gov. The time and order of agenda items are subject to change at the discretion of the Council Chair and may be taken out of order. In accordance with the Bagley-Keene Open Meeting Act, all meetings of the Council are open to the public.

The meeting will be webcast, provided there are no unforeseen technical difficulties or limitations. To view the webcast, please visit thedcapage.wordpress.com/webcasts/. The meeting will not be cancelled if webcast is not available. Meeting adjournment may not be webcast if it is the only item that occurs after a closed session.

Government Code section 11125.7 provides the opportunity for the public to address each agenda item during discussion or consideration by the Council prior to the Council taking any action on said item. Members of the public will be provided appropriate opportunities to comment on any issues before the Council, but the Council Chair, at his or her discretion, may apportion available time among those who wish to speak. Individuals may appear before the Council to discuss items not on the agenda; however, the Council can neither discuss nor take official action on these items at the time of the same meeting (Government Code sections 11125, 11125.7(a)).

The meeting is accessible to the physically disabled. A person who needs a disability-related accommodation or modification in order to participate in the meeting may make a request by contacting Karen M. Fischer, MPA, Executive Officer, at Dental Board of California, 2005 Evergreen Street, Suite 1550, Sacramento, CA 95815, or by phone at (916) 263-2300. Providing your request at least five business days before the meeting will help ensure availability of the requested accommodation. TDD Line: (877) 729-7789

TELECONFERENCE MEETING
DENTAL ASSISTING COUNCIL MEETING MINUTES
FRIDAY, APRIL 30, 2021**

NOTE: Pursuant to the provisions of Governor Gavin Newsom's Executive Order N-29-20, dated March 17, 2020, the Dental Assisting Council (Council) of the Dental Board of California (Board) met on April 30, 2021, via teleconference/WebEx Events, and no public locations or teleconference locations were provided.

Members Present:

Melinda Cazares, RDA, Chair
Jeri Fowler, CDA, RDAEF2, OA, Vice Chair
Michele Jawad, RDA, M.A.ED
Cara Miyasaki, RDA, RDHEF, MS
Rosalinda Olague, RDA, BA
Joanne Pacheco, RDH, MAOB
Traci Reed-Espinoza, RDAEF2

Members Absent:

None

Staff Present:

Sarah Wallace, Assistant Executive Officer
Tina Vallery, Chief of Administration and Licensing
Emilia Zuloaga, Dental Assisting Program Manager
Wilbert Rumbaoa, Administrative Services Unit Manager
Pahoua Thao, Administrative Analyst
Tara Welch, Board Counsel, Attorney III, Department of Consumer Affairs (DCA)

Agenda Item 1: Call to Order/Roll Call/Establishment of a Quorum

The Chair, Ms. Melinda Cazares, called the meeting to order at 9:06 a.m.; seven members of the Council were present, and a quorum was established.

Agenda Item 2: Public Comment on Items Not on the Agenda

There were no public comments for items not on the agenda.

Agenda Item 3: Discussion and Possible Action on February 25, 2021 Meeting Minutes

Ms. Emilia Zuloaga, Dental Assisting Program Manager, advised the Board that Board staff made technical and non-substantive changes to the meeting minutes following the posting of the meeting materials. The amended version was projected on the screen showing the changes that were made. Tara Welch, Board Counsel, proposed two revisions to correct the number and date of the Governor's Executive Order authorizing the meeting format.

Motion/Second/Call the Question (M/S/C) (Fowler/Olague) to approve the February 25, 2021 Dental Assisting Council Meeting Minutes as revised.

Ayes: Cazares, Fowler, Jawad, Miyasaki, Olague, Pacheco, Reed-Espinoza.

Nays: None.

Abstentions: None.

Absent: None.

Recusals: None.

The motion passed and the minutes were approved as revised. There were no public comments made on this item.

Agenda Item 4: Presentation Regarding Orthodontic Assistant Permit (OAP) Occupational Analysis and Examination Modifications

Dr. Heidi Lincer, Ph.D., Chief, and Ms. Karen Okicich, M.A., Research Data Supervisor, from the DCA Office of Professional Examination Services (OPES), provided an overview of the occupational analysis report, which is available in the meeting materials. Based on the results of the occupational analysis for the OAP, OPES recommended the OAP written examination (exam) be modified to adjust exam content by increasing the number of items from 65 scoreable and no pretest questions, to 75 scoreable and 25 pretest questions, and increasing the time candidates have to take the exam from 90 minutes to 120 minutes. Additionally, since the number of candidates taking the OAP written exam has substantially increased over the last 10 years, OPES recommended increasing the frequency of form change to help maintain the integrity of the examination process.

Council members Miyasaki and Fowler asked questions of OPES regarding the development of the occupational analysis and the development of examination questions. Ms. Okicich provided answers.

The Council received public comment. Ms. Claudia Pohl, California Dental Assistants Association (CDAA), requested information regarding the administration cycle and the relationship between the increase in candidates with the increased frequency of the form change. Ms. Okicich responded that OPES works with the Board to determine a form of change that is appropriate for the number of candidates and how often testing occurs; however, details are not provided to ensure exam security.

Agenda Item 5: Update Regarding Registered Dental Assistant in Extended Functions (RDAEF) Written Examination

Ms. Zuloaga provided background information, which is available in the meeting materials. Dr. Lincer and Ms. Okicich reported that a workshop, held in March, determined the competencies tested during the RDAEF clinical and practical exams could be met in educational training and assessed with a written exam. It was also determined that additional content should be included if the clinical and practical exams are eliminated and should be organized into content areas to address those requirements.

Since an occupational analysis of the RDAEF profession is due in fiscal year 2021-2022, OPES has begun conducting the analysis this year, which will coincide with the development of revisions to the RDAEF written exam and ensure content measures competencies required at initial licensure.

OPES anticipates the revised RDAEF written exam will be released concurrent with legislative changes expected to become effective in January 2022.

The Council received public comment. Ms. Melodi Randolph, California Association of Dental Assisting Teachers (CADAT), CDAA, and Dental Assisting Educator's Group (DAEG) representative, stated it would be interesting for OPES to include information on the comparison of practical exams from other boards across the United States in future presentations. Additionally, Dr. Molly Newlon, RDAEF Program Director, University of the Pacific, is concerned about students who are currently waiting to take the exam, and what will happen to them and their ability to become licensed because of the COVID-19 restrictions during the past year.

Agenda Item 6: Update on Dental Assisting Programs and Courses

Ms. Zuloaga provided the report, which is available in the meeting materials. There were no public comments made on this item.

Agenda Item 7: Update on Dental Assisting Examination Statistics

Ms. Zuloaga provided the report, which is available in the meeting materials. There were no public comments made on this item.

Agenda Item 8: Update on Dental Assisting Licensing Statistics

Ms. Zuloaga provided the report, which is available in the meeting materials. There were no public comments made on this item.

Agenda Item 9: Discussion and Possible Action on Potential Amendments to Business and Professions Code Section 1750, Infection Control Course Requirements for Unlicensed Dental Assistants

Ms. Zuloaga provided the report, which is available in the meeting materials. Currently, Business and Professions Code section 1750, subdivision (c), requires the employer to ensure a dental assistant who has been in continuous employment for 120 days or more successfully completes a Board-approved eight-hour course in infection control within a year of employment.

The Council discussed whether the infection control course requirements for unlicensed dental assistants should be amended to increase consumer protection. The Council discussed the following four options to amend the statute to change the timeframe of when the employer of a dental assistant must ensure the dental assistant successfully completes a Board-approved eight-hour infection control course: 1) prior to performing any basic supportive dental procedures involving potential exposure to blood, saliva, or other potentially infectious materials; 2) within 30 days of employment; 3) within 90 days of employment; or 4) within six months of employment.

M/S/C (Fowler/Jawad) to recommend the Board consider a legislative proposal to amend Business and Professions Code Section 1750, subdivision (c), to specify the employer is responsible for ensuring a dental assistant has successfully completed a Board-approved eight-hour course in infection control prior to performing any basic supportive dental procedures involving potential exposure to blood, saliva, or other potentially infectious materials.

Ayes: Cazares, Fowler, Jawad, Miyasaki, Pacheco, Reed-Espinoza

Nays: None.

Abstentions: Olague.

Absent: None.

Recusals: None.

The motion passed and the recommendation will be forwarded to the Dental Board of California for consideration. The Council received public comment. Ms. Pohl commented that she supported the recommendation. Ms. Randolph also commented that she supported the recommendation and urged moving the proposal forward as quickly as possible.

Ms. Sarah Wallace explained the legislative proposal would be brought to the Board for consideration at a future Board meeting. If the Board agrees with the proposal, it can submit it to the California State Legislature for inclusion in an omnibus bill or as part of the Board's next Sunset review report.

Agenda Item 10: Future Agenda Items

Council member Reed-Espinoza requested a future agenda item regarding the addition of local anesthetic to the scope of practice for RDAEFs.

Agenda Item 11: Adjournment

Chair Cazares adjourned the meeting at 10:58 a.m.

Update Regarding Re-Evaluation of Dental Assisting Educational Programs and Courses

The Board not only has the authority to approve, provisionally approve, or deny approval of any dental assisting educational program and course, it also has the authority to re-evaluate programs and courses approximately every seven years. In addition, programs and courses may be subject to re-evaluation and inspection by the Board at any time to review and investigate compliance with the Board’s regulations. Re-evaluation may include a site visit or written documentation that ensures compliance with all regulations. The Board may withdraw approval at any time that it determines that a program or course does not meet the requirements established in regulation by the Board.

Re-evaluations were placed on hold due to COVID in 2020. Board staff have resumed RDA program re-evaluations.

Over the past year, the Board has received complaints alleging that some Board-approved programs and courses are operating out of compliance and/or operating at locations that do not have Board-approval. In each of these cases, Board staff have worked with legal counsel to determine the appropriate resolution following an investigation into each specific compliance issue or complaint. In instances where the Board was notified that a Board-approved program or course was potentially operating out of compliance, the Board has issued notices of re-evaluation. In instances where a program or course location was operating and claiming to have Board-approval but does not, Cease and Desist Notices have been issued.

In addition to resuming RDA program re-evaluations and those programs and courses that are potentially operating out of compliance, Board staff have also begun re-evaluating all Registered Dental Assistant in Extended Functions (RDAEF) programs.

MEMORANDUM

DATE	August 2, 2021
TO	Members of the Dental Assisting Council
FROM	Emilia Zuloaga, Dental Assisting Program Manager Dental Board of California
SUBJECT	Agenda Item 7: Update Regarding Administration of Registered Dental Assistant in Extended Functions (RDAEF) Examinations

Update on RDAEF Clinical and Practical Examinations

The RDAEF clinical and practical examinations were suspended in 2020 due to the COVID-19 pandemic. During the last 14 months, Board staff have continued to reach out to dental schools in both northern and southern California to reserve a location to administer the clinical and practical examinations but have been unsuccessful. However, in June of this year, the Board was able to secure a contract with Arthur A. Dugoni School of Dentistry, University of Pacific for the examinations. The RDAEF clinical and practical examinations will be administered by the Board on July 31, August 1, August 14, and August 15 in San Francisco. There were approximately 200 candidates in the queue for testing. All candidates were contacted and offered a space in the upcoming examinations. Many candidates decided not to test at this time and opted to see what happens with Senate Bill (SB) 607. If signed by the Governor, the legislation will go into effect January 1, 2022 and RDAEF candidates for licensure will not be required to take a clinical and/or practical examination.

Update on SB 607

SB 607 authored by Senators Min and Roth will eliminate the licensure requirement for RDAEFs to complete a clinical and/or practical examination. The bill was first introduced in the Senate on February 18, 2021 and is currently in the Assembly. The bill will need to go back to the Senate for concurrence on various amendments, unrelated to the RDAEF examinations, that have been made since leaving the Senate. As previously stated, if signed by the Governor, the legislation will go into effect January 1, 2022 and RDAEF candidates for licensure will be required to take only a written examination.

New RDAEF Written Examination

The RDAEF occupational analysis survey closed on July 24, 2021, and data are currently being analyzed. The final workshop for the occupational analysis will be

held August 20-21, 2021. During this workshop, Office of Professional Examination Services (OPES) will work with subject matter experts (SMEs) to review the results of the occupational analysis and finalize a new examination outline. Following this workshop, OPES will make a recommendation to the board regarding adjustments to the number of items on the examination. In addition, OPES will provide the board with a validation report describing the occupational analysis process in early October.

The new RDAEF examination will be constructed based on the results of the occupational analysis and will be expanded to incorporate additional content that measures competencies related to cord retraction and final impression (previously measured by the practical and clinical examinations). The examination will be ready for implementation January 1, 2022.

After discussion between Board staff, OPES, and Board legal counsel, it was determined that RDAEF candidates who have already taken and passed a written examination will not be required to take the new exam.

MEMORANDUM

DATE	August 2, 2021
TO	Members of the Dental Assisting Council
FROM	Emilia Zuloaga, Dental Assisting Program Manager Dental Board of California
SUBJECT	Agenda Item 8: Update Regarding Orthodontic Assistant (OA) Written Examination

Background

At the April 30, 2021 DAC meeting, representatives from the Department of Consumer Affairs (DCA) Office of Professional Examination Services (OPES) provided an overview of the occupational analysis process. Based on the results of the occupational analysis that OPES conducted for the Orthodontic Assistant Permit (OAP), OPES recommended the OAP written examination (exam) be modified to adjust exam content by increasing the number of items from 65 scoreable and no pretest questions, to 75 scoreable and 25 pretest questions, and increasing the time candidates have to take the exam from 90 minutes to 120 minutes. Additionally, since the number of candidates taking the OAP written exam has substantially increased over the last 10 years, OPES recommended increasing the frequency of form change to help maintain the integrity of the examination process.

Since the April meeting, the orthodontic assistant portion of the Examination Candidate Manual was updated and will be available August 1, 2021. The exam is expected to launch on September 1, 2021.

No action required.
