Amend Section 1020 of Division 10 of Title 16 of the California Code of Regulations to read:

(a)(1) In addition to any other requirements for licensure, when considering the approval of an application, the Board or its designee may require an applicant to be examined by one or more physicians and surgeons or psychologists designated by the Board if it appears that the applicant may be unable to safely practice due to mental illness or physical illness affecting competency. An applicant’s failure to comply with the examination requirement shall render his or her application incomplete. The report of the examiners shall be made available to the applicant. The Board shall pay the full cost of such examination. If after receiving the report of evaluation, the Board determines that the applicant is unable to safely practice, the Board may deny the application, or may issue the applicant a license that is placed on probation with terms and conditions. If the Board issues a license on probation, the probationary order shall include an order that the license be revoked, stayed and placed on probation for the entire term of probation. In issuing a license on probation, the Board may consider any or all of the following terms and conditions:
   (i) Requiring the licensee to obtain additional training or pass an examination upon completion of training, or both. The examination may be written, oral, or both, and may be a practical or clinical examination or both, at the option of the Board;
   (ii) Requiring the licensee to submit to a mental or physical examination, or psychotherapy during the term of probation under the terms and conditions provided for in the “Dental Board of California Disciplinary Guidelines With Model Language” revised 08/30/2010, incorporated by reference at Section 1018; or,
   (iii) Restricting or limiting the extent, scope or type of practice of the licensee.

(2) If the Board determines, pursuant to proceedings conducted under this subdivision, that there is insufficient evidence to bring an action against the
applicant, then all Board records of the proceedings, including the order for the examination, investigative reports, if any, and the report of the physicians and surgeons or psychologists, shall be kept confidential. If no further proceedings are conducted to determine the applicant’s fitness to practice during a period of five years from the date of the determination by the Board of the proceeding pursuant to this subdivision, then the Board shall purge and destroy all records pertaining to the proceedings. If new proceedings are instituted during the five-year period against the applicant by the Board, the records, including the report of the physicians and surgeons or psychologists, may be used in the proceedings and shall be available to the Respondent pursuant to the provisions of Section 11507.6 of the Government Code.

(a) (b) When considering the denial of a license under Section 480 of the Code, the Board in evaluating the rehabilitation of the applicant and his present eligibility for a license, will consider the following criteria:

1. The nature and severity of the act(s) or crime(s) under consideration as grounds for denial.

2. Evidence of any act(s) committed subsequent to the act(s) or crime(s) under consideration as grounds for denial which also could be considered as grounds for denial under Section 480 of the Code.

3. The time that has elapsed since commission of the act(s) or crime(s) referred to in subdivision (1) or (2).

4. The extent to which the applicant has complied with any terms of parole, probation, restitution, or any other sanctions lawfully imposed against the applicant.

5. Evidence, if any, of rehabilitation submitted by the applicant.

(b) (c) When considering the suspension or revocation of a license on the grounds of conviction of a crime, the Board, in evaluating the rehabilitation of such person and his present eligibility for a license will consider the following criteria:

1. The nature and severity of the act(s) or offense(s);

2. Total criminal record;
(3) The time that has elapsed since commission of the act(s) or offense(s);

(4) Whether the licensee has complied with any terms of parole, probation, restitution or any other sanctions lawfully imposed against the licensee;

(5) If applicable, evidence of expungement proceedings pursuant to Section 1203.4 of the Penal Code;
