

Important Update: Print Your Pocket License on Demand Starting April 23, 2026

Starting April 23, 2026, license and permit holders will have a new, convenient option in their BreEZe account: the ability to **print their pocket license on demand**.

What's Changing:

- You can now print your pocket license **any time you need it**, at **no cost**.
- The pocket license will be available as a **downloadable PDF** that you can save or print.
- You will **still receive a hard-copy pocket license by mail** when you renew your license.
- If needed, you may **request a duplicate hard-copy pocket license by mail**, but a **fee** will apply.

To use this feature:

1. Visit www.breeze.ca.gov
2. Log in to your BreEZe account
 - If you do not have an account, select **"New User"** to create one
3. Go to **License Activities** and click on the drop-down menu.
4. Select the **"Print License Certificate"** from the drop-down menu
