

CERTIFICATION OF WORK EXPERIENCE AS A DENTAL ASSISTANT

Applicant Name: _____	Social Security Number: _____
------------------------------	--------------------------------------

To qualify by **work experience only**, you must have obtained at least 15 months and 1280 hours of experience as a dental assistant in California or another state (BPC § 1752.1). The work experience hours in a dental office may have paid or unpaid hours as an employee, student or volunteer and must have equaled 15 months and 1280 hours. If the total number of months or hours was obtained by more than one dental office, please have each dentist certify such by completing a separate form. For this reason, this page may be photocopied as needed. The Declaration section below must be completed and certified by a dentist licensed in the United States.
